

SE/CCW  
10<sup>th</sup> February 2011

Dear Parents and Guardians,

The children have settled back happily and continue to work and play very well. We are already nearly at half term and half way through their year.

**Parent Consultations**

As you are aware, although the main school are holding consultations now, we will meet with you towards the end of the year instead. If, however, there is a particular area really concerning you regarding your child's development at this stage, please speak to Ms Eadie.

**Nursery Fund**

There are a number of families who have not yet contributed to this term's kitty. Your support (£10 cash in labelled envelope please) is greatly appreciated and does afford us to buy extra special resources and consumables such as cooking ingredients for your child's direct benefit. If you are unsure whether you have paid, please check with Mrs White. If payment truly presents a problem, please do let us know; we do treat this information in the strictest confidence.

**Kindertots**

Next Wednesday, 16<sup>th</sup> February, the Kindertot ladies will visit us again. The children thoroughly enjoy and benefit from their visit. Please help us to keep these visits possible by contributing £2.50 (cash in labelled envelope please). Their visits are subsidised by the school.

**Girls' Clothing**

We are still very low on girls' spare clothes. If you can spare any at all we would be very grateful. We are also looking for old used birthday cards suitable for girls. Thank you for your support.

Yours sincerely,

Susan Eadie
