### **BULGE CLASS - SEPTEMBER 2010**

Further to my letter last term, it is now confirmed that Collis will take an extra Reception Infant Class in September 2010. As far as we know at this stage, this is a one-off bulge class and not a move towards a 4 form entry intake. Plans to accommodate the extra children are well advanced and we are confident we can make this a positive experience for all concerned.

### **SCHOOL UNIFORM**

After nearly 7 years of running the School Uniform Shop, Glynis Manson is to 'retire' from the job at the end of the school year, as her children will leave Collis. She has done a magnificent job and we all thank her for the time and effort she has given. We now need to recruit another person(s) to take over. If you are interested please contact Glynis or myself in the first instance.

### **CSA ANNUAL GENERAL MEETING**

A final reminder that this takes place next Monday, 25<sup>th</sup> January, at 8.00pm. Come along, find out more about the CSA and join the committee!

### **PARKING / DROP OFF**

Once again we are experiencing difficulties at drop off and pick up time. It is illegal to park on the yellow zig-zag lines at the school entrances and also extremely dangerous to turn in the Fairfax Road school entrance. Please will everyone take extra care at these busy times!

### **TISSUES!**

Our school stock of tissues is almost depleted. We must therefore request each child to supply a box / pack of tissues for use in school. Thank you.

### **COLLIS SCHOOL COUNCIL - HAITI CAKE SALE**

At the time of writing, the Cake Sale is underway and doing great business! So far we have raised in excess of £750 !!! By the end of the day we will be in a position to get a final total of money raised for the Haiti earthquake victims. Thank you all for your generous donations and cakes. The final total will be notified as soon as possible.

### **NEW WEBSITE**

Our new school website is launched today. It has been completely revamped by our IT development team and contains lots of new features. Please spend some time looking through it and getting used to the new links and format. Thanks to Sophie Kay and the team for spending a huge amount of time on this project.
