CSA Special General Meeting, Monday 1st March 8pm

Thank you to everyone who has joined the committee, we have gone from 9 members to 20, which is fantastic. But we still need a chairman. Cherryll Williams, School Administrative Officer, explains what is involved in being chairman and why we need one:

"There has to be someone who is in overall charge/responsibility, otherwise there is no fulcrum to the organisation and no-one in particular to whom one refers. However adept and focussed committee members may be, every setup needs a leader. Just imagine trying to get decisions made without someone coordinating the fight!!

You could liken it to almost any organisation you wish - Lever Bros, the army, the government etc. etc.

Seriously, someone has to be in overall control to coordinate and provide representation for the whole, not to mention being the main contact for people like me".

Forthcoming events

The Collis School Disco Friday 12 March. This is the children's social event of the year. With 600 children in the school it is impossible to cater for all ages at any one time so we're offering different timings for different year groups. Please order your tickets using the form below.

The Circus is coming to Collis, April 28, 29, 30

Happy's Circus is back, come along with family and friends to enjoy a real circus in a big tent on the school field.

There will be: BBQ, Bar, Refreshments and glow goodies.

Not only do you all get the chance to enjoy the show, but **every** child at Collis (including nursery) will take part in a circus skills workshop in the Big tent during the school day.

More details will be in future newsletters

Bags2Scheme

Are you having a clear out? Please save any unwanted clothing for us. It is a clothing recycling scheme recommended by the NCPTA.

How it works: every child will take home a blue bag to be filled with unwanted clothes, shoes, belts or hats. These will go in the book bags next term. So keep a sharp eye out for them.

The collection date is **Friday 7 May.**

If you do not want to participate in this, simply return the blue bag to school.

Thank You

Thank you to Martin Etter for building a wonderful new decking area around the pond in the Nature Trail and for rebuilding the paths making them safe for everyone. He did this despite horrible weather and near frozen conditions!

When Spring does arrive we will organise an open day to show off our new feature.

COLLIS SCHOOL DISCO
