Primary Questionnaire

The London Borough of Richmond upon Thames has sent information to us about a Primary Questionnaire they would like **children from Year 2 and upwards** to complete, concerning extended school services. It is a simple survey which the Borough will use to map out services and activities children and young people currently access or would like to access. The survey runs from now until 26th March. Indoor Athletics

Congratulations to the Collis Indoor Athletics team who came a FANTASTIC 4th, out of 15 schools, at the recent Richmond Borough Large Schools Indoor Athletics event. I was so proud of the whole team who coped so very well during their individual field events, which were:

speed bounce, javelin, vertical jump, standing jump, triple jump and ball throw.

They also all performed particularly well during their relay events, winning nearly all the races in their heat. - *Jenny Day, PE Coordinator*

Swimming

Well done to Jacob Berry who competed in the freestyle at the Richmond Borough Swimming Gala Finals on Wednesday. What an achievement to swim up against the best in the Borough. - *Jenny Day, PE Coordinator*

Sports Relief

A big thank you to Motive8 for organising the running events on the field today, in aid of 'Sports Relief'. All the children enjoyed getting active. - *Jenny Day, PE Coordinator*
