WORLD BOOK DAY - Thursday 4th March

Collis School was a particularly fun place to be yesterday as children and teachers dressed up as book characters for the day. As always, we were amazed at the range and creativity of the costumes the children wore and it was a very hard task to choose our winners. Congratulations to the following children who won the prize in their year group:

Year 6 -	Florence Parkin
Year 5 -	Georgia Hennessy
Year 4 -	Henry Lodge
Year 3 -	Florence McDowell
Year 2 -	Florence Smart
Year 1 -	Toby Gibbons

Each Reception Class won a book voucher for their class - they will be able to choose a class book.

WORLD MATHS DAY - Wednesday 3rd March

World Maths Day was a real success! Everyone enjoyed the maths activities throughout the day, ranging from tangram puzzles, 3D house building to counting to 10 in a range of languages! Some children went onto the website and competed with other children around the world and at Collis! Thank you to everyone for your hard work to make the day as successful as it was.

TESCO COMPUTERS FOR SCHOOL VOUCHERS and SAINSBURY ACTIVE KIDS

Once again we are collecting these vouchers to 'buy' additional equipment for school. Your support is greatly appreciated.

BOROUGH SWIMMING GALA

Well done to all the swimmers who swam in the Gala yesterday. We had some fantastic individual and team results; the squadron relay got to the final and came 4th, narrowly missing out on medals. It was a lovely afternoon and I was impressed with all the Years 3 – 6 swimmers. Well done to Jacob Berry who has made it through to the finals in the Freestyle!!!

See the website soon for pictures and more information. - *Jenny Day, PE Coordinator*
