Friday 18th June

Thank you! Thank you! Thank you!

After 6 years of working with the CSA, Daryl Greenwood is now standing down as a committee member – we would like to thank her for her dedicated support to the CSA particularly for organising the circus events and her major contribution to Project Lion, it really has been appreciated. Also standing down is Catherine Roberts – many thanks go to her for coordinating the school disco for the past few years as well as for her support in organising the May Ball and fireworks. We will miss you both!

Also, many thanks to Matt White for organising the Dad's football, the games were played in great spirit and there was a fantastic atmosphere on the day. Everyone is looking forward to next year's event.

Family Picnic and Teddington In Flower

Thank you to all those who came along to the family picnic on Friday, the sun shone just at the right time! It was great to see so many families having fun and into the bargain just about £270 was made. On Sunday at Teddington in Flower over 200 people came to visit the Nature Trail, many choosing to pond dip from the stunning new decking. With the fantastic support of 6th Teddington (Collis) Guides - many, many cups of tea and cakes were served to help raise a fantastic £460! Thank you everyone for your cakes and support!

Summer Fair, Saturday 3 July 3-7pm

The arrangements are well underway for the forthcoming and eagerly awaited Collis Summer Fair. The Class Reps are doing a magnificent job of rallying their troops to set up and man their allotted stalls.

However, we do have a number of additional jobs that need to be done in the weeks, days and hours before the fair. Can you help with:

Leaflet drops, door to door (the kids love to do this one) – Karen Masterson will be in the playground to hand out bundles of leaflets. If you can help please contact her on: karen_phillips_masterson@yahoo.co.uk or 07941 414149 07941 414149

Home Produce – we won't be receiving any donations from bakery's this year and so we are relying on YOU to bake, preserve (jams, chutneys, etc) or produce yummy home-made delights!

Unloading the shed and Setting out gazebos and tables – We need a team of 6 people to help empty the CSA shed and set out the tables, gazebos, stock and BBQs on the morning of the Fair, if you can help please let Sue or Elaine know.

Do you have a fridge and/or freezer in which we could store food? Please let Elaine (elainemccormick@tiscali.co.uk) or Sue (sue_croft@btinternet.com) know if we may use some of your freezer space if required.

Match funding parents needed

Match funding is a relatively easy way to increase the revenue of your stall. Many corporate organizations will match the funds raised by an employee for their efforts and involvement in the community which includes school fairs. If you know of any parent who works for Barclays, Woolwich, NatWest, BP, GSK, Royal Bank of Scotland, Shell, Sky or any other bank or oil company please ask them if they would apply for match funding your allocated stall and let me know as soon as possible. Last year match funding for the summer fair raised almost an extra £3000 for the fair!

Friday 2nd July will be mufti day; children can come to school in non uniform in exchange for something for the bottle tombola.
