INFANTS' SPORTS DAY - 1st JULY

Children in Years Receptions to 2 thoroughly enjoyed their Sports Day yesterday morning.

The Receptions took part in races in a 'grid' system and they were amazing! They all had fun and performed really well!!

The Infants team 'The Monkeys' won their section of the sports, and all children in all the classes put on a splendid effort and there were many champions of the day.

The Parents who took part in the parent races did a sterling job and should be proud of their efforts! We all had a great time. Well done to all.
