Christmas Fair – Saturday 4th December, 2-5pm

A very big thank you to everyone who contributed to the Christmas Fair last Saturday, another great effort by many people. The total money raised is still being counted and the profit is estimated to be more than £5500 – a brilliant result – thank you everyone. We will publish the full break down for each of the stalls next week. By supporting this event you have helped us to raise the money for the new lighting, sound and stage equipment in the New Hall which some of the children have already been under the spotlight for this week!

A huge thank you to Elaine McCormick for working tirelessly over many weeks preparing for the fair, also to Maddy Fowler for coordinating all the class reps both in preparation and on the day. We would like to thank Sue and Martin Croft & Fiona Breaks for building a wonderful grotto and managing to revise their plans at the last minute and relocate it indoors due to the 'festive' weather! Thanks also to the Santa's, to Jen and Ian Hyder for their contribution to prizes, gifts and stall goodies. Thank you to all the class reps for coordinating the stalls, to everyone who donated a prize for the raffle and to the whole of the CSA, Helen Wright and others who set up and cleared away. A special thank you to Matt White and Hannah Browning for coaching the angelic voices of year 2 in their Carol singing and to the teachers who helped and supported us.

Christmas Tree Sale

Thank you to everyone who came along on Sunday morning to buy their Christmas trees a fantastic 80 trees were sold, raising a marvellous £750 for the school – thanks to Ros and Charlie Thelu and their team for organising again this year
