Dear Parents and Guardians,

BABIES !

I am sure that by now you will be aware that Mrs White is expecting her first baby next September. This is very exciting news and perfect timing, particularly as we are thinking about growth and development at the moment!
Our congratulations go to Mr and Mrs White.

BABY PHOTOS, TOYS AND CLOTHES:

We would like to make a collection of baby photos of our Nursery children. Please send in a photo of your child (name on the back please). We will of course return them to you.

Similarly, if your child would like to bring in a baby toy or item of baby clothing, for us to look at, please encourage them to do so.

If you are willing to bring in your baby or toddler, for a visit, please let us know. The children learn so much in their company.

POLKA THEATRE:

Although this is some time ahead, we wish to let you know that we will be visiting the Polka Theatre in Wimbledon, in July, to see 'All Join In'. We will let you know the cost and arrangements nearer the time. This is a popular outing with families and we thought you would appreciate the advance warning, to avoid duplicate bookings!

Yours sincerely

THE NURSERY TEAM
